To Whom It May Concern,

Pursuant to the open records law, I write to request access to review documents before copies are made and sent to me of the certified payroll for Affiliated Environmental Services for their work performed at Princeton Plasma Physics Lab on the dates of October 11, 2008 to October 12, 2008 and November 14, 2008 to November 16, 2008.

If your agency does not maintain these public records, please let me know who does and include the proper custodian's name and address.

I agree to pay any reasonable copying and postage fees of not more than $100. If the cost would be greater than this amount, please notify me. Please provide a receipt indicating the charges for each document.

As required by law, I would request your response within seven (7) business days.

If you choose to deny this request, please provide a written explanation for the denial including a reference to the specific statutory exemption(s) upon which you rely. Also, please provide all segregable portions of otherwise exempt material.

Thank you for your assistance.

Sincerely,
Jully Merino — Labor Local 78
