This is a noncommercial request for research and study purposes. As such, it best falls in the fee categorization "all other requesters". I agree to pay up to $50 for costs if necessary. If records can be provided in electronic form rather than paper form, that would be optimum. Please release all segregable releasable portions.

I would appreciate if you would correspond with me regarding this request by email or by regular U.S. Mail, and NOT by certified mail.

Thank you very much for your assistance.

Sincerely,

Michael Ravnitzky
