Record Description:

Dear DOE FOIA Office,

Please accept this request made under the Freedom of Information Act (FOIA). I would like to obtain copies of any and all applications made to the DOE Loan Guarantee Program pursuant to DOE Nuclear Power Solicitation #DE-FOA-0000006. I understand that the application process involved two separate application submissions: Part 1 was due on September 29, 2008; Part 2 was due on December 19, 2008. I would like to obtain both Part 1 and Part 2 applications from each entity submitting an application in each phase of the application process. In addition, companies are required to update their applications every 90 days after the submission of Part 2 applications. I would also like to obtain any such updates that have been filed as well.
If possible, I would like to obtain electronic versions of these files to save what I understand will be a large quantity of paper. I understand that fees will apply to this request. Please contact me if the cost of obtaining these documents will exceed $200.
