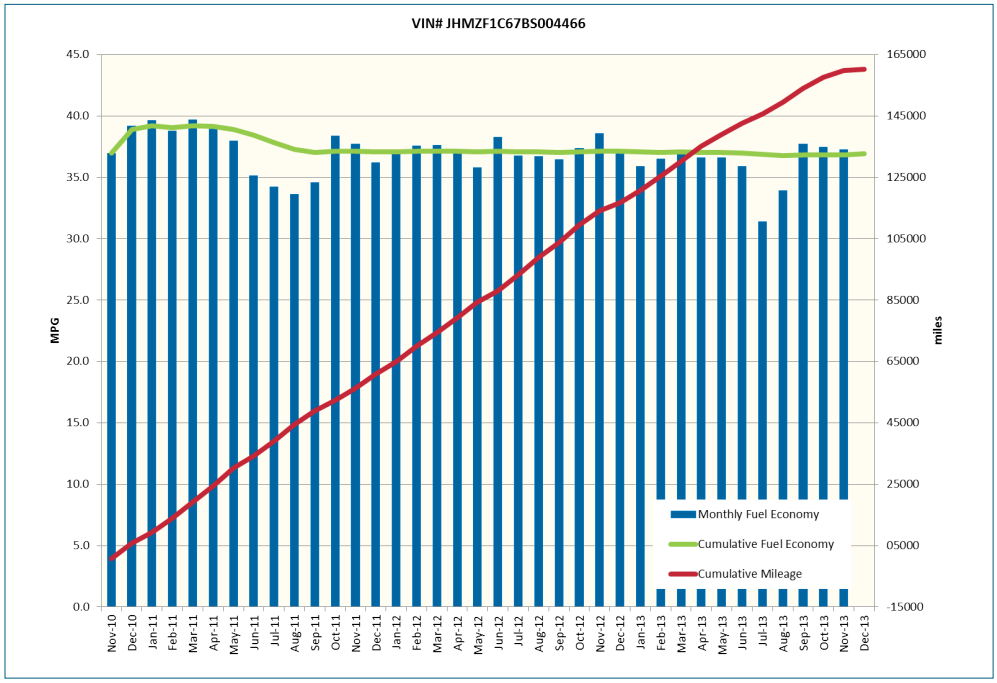
None

Description of Vehicle Usage:

This vehicle is operated by various commercial vehicle fleetsthroughout the Southwestern United States covering a mixture of city and highway routes. This vehicle is operated five to seven days a week functioning as a typical vehicle in the overall fleet.



Monthly MPG = (miles driven)/(gallons of fuel purchased). Monthly variation in reported MPG may occur due to the difference in fuel tank level at the beginning and end of the month

[1]Purchase includes dealer price with options plus taxes. It does not include title, license, registration, extended warranty or delivery fee costs.

[2]Per Kelley Blue Book private resale estimate, www.kbb.com.

[3]Operating costs includes insurance, fuel, and registration costs
