October 30, 2009

Mr. Juan Sepulveda
U.S. Department of Education
White House Initiative on Educational Excellence for Hispanic Americans
4000 Maryland Avenue SW, Room 7E-320
Washington, DC 20202

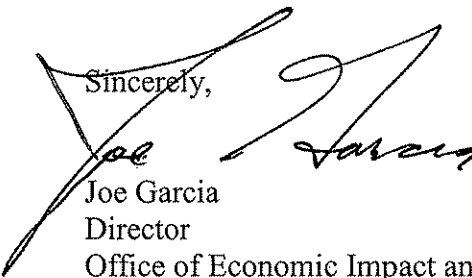

Dear Mr. Sepulveda:

As requested by Executive Order 13230, President's Board of Advisors on Hispanic Serving Institutions, I am enclosing the Department of Energy's (DOE) fiscal year 2009 Annual Performance Report on Executive Agency Actions to Assist Hispanic Serving Institutions (HSIs).

The Department provided \$21.7 million in support to HSIs, an increase of \$2.2 million from fiscal year 2008. The Department supported a variety of programs including research and development opportunities, scholarships, internships, and training. Large-scale projects included \$3.5 million for the Department of Energy – Florida International University Science and Technology Workforce Development Initiative developed by the Office of Environmental Management to create a "pipeline" of minority-trained engineers to enter the Department of Energy's technical workforce.

We will continue to work with you to implement programs to ensure that the nation's HSIs receive the necessary support to strengthen and enhance their ability to provide high quality educational opportunities for future scientists and engineers.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe Garcia", is written over the word "Sincerely," and the printed name "Joe Garcia".
