The Opposed-Piston Two-Stroke Engine Alternative: Performance and Emissions Results in a Medium-Duty Application

David Johnson, Gerhard Regner, Randy Herold, Michael Wahl, Fabien Redon, Eric Dion, Shauna McIntyre, Brian Callahan

Presented By:

Fabien Redon

Vice President, Performance & Emissions Development

achatesPOWERTM Fundamentally Better EnginesTM

The Achates Power Difference

The Achates Power two-stroke opposed-piston engine has demonstrated:

- 19% lower BSFC
- Engine-out emissions
- Less than 0.10% FS oil consumption
- 40% fewer parts
