MEMORANDUM

SUBJECT: ADVANCE WAIVERS - LIMITATION OF APPLICABILITY, IPI

10 CFR 784.8(b) provides that a new request for advance waiver will be required if the purpose, scope, or cost of the contract is substantially altered. It is appropriate that this change should be reflected in Statements of Considerations.

Accordingly, effective immediately, all Statements of Considerations for advance (blanket) waivers shall be prepared with the following sentence added to the paragraph just preceding the signatures of the program official Assistant General Counsel for TT & IP:

"This waiver shall not apply to a modification or extension of this contract where, through such modification or extension, the purpose, scope, or cost of the contract has been substantially altered."

A handwritten signature in black ink, appearing to read "Paul A. Gottlieb", is positioned above the printed name.

Paul A. Gottlieb
Assistant General Counsel
for Technology Transfer and Intellectual Property
