SUBJECT: DOE O 350.1 Change 2—Contractor Human Resource Management Program

SUMMARY: The Department of Energy issued the above listed Directive, which includes a Contractor Requirements Documents (CRD), on October 13, 2009.

Under the Department's Directives Program (DOE Order 251.1C), Heads of Field Elements are responsible for determining which contracts are to include the CRD. Contracting Officers, once notified, are responsible for incorporating the CRD into affected contracts. Since some Heads of Field Elements may not be aware that this change has been issued, Contracting Officers should request their determination of which, if any, contracts are affected and remind them that they may sign up for automated notification at www.directives.doe.gov.
