

POLICY FLASH 2010-68

DATE: July 12, 2010

TO: Procurement Directors

FROM: Office of Procurement and Assistance Policy, MA-61
Office of Procurement and Assistance Management

SUBJECT: DOE O 422.1 Conduct of Operations

SUMMARY: On June 29, 2010, the Department issued a Contractor Requirements Document (CRD) to the above listed Directive.

Under the Department's Directives Program (DOE Order 251.1C), Heads of Field Elements are generally responsible for determining which contracts are to include the CRD. Contracting Officers, once notified, are responsible for incorporating the CRD into affected contracts. Since some Heads of Field Elements may not be aware that this change has been issued, Contracting Officers should request their determination of which, if any, contracts are affected and remind them that they may sign up for automated notification at www.directives.doe.gov.

This Flash may be viewed online at the following website:

Questions regarding contracts intended to be affected by the CRD should be directed to the office identified in the "Contact" paragraph and questions regarding contract modifications should be directed to Helen Oxberger at helen.oxberger@hq.doe.gov.
