

U.S. Department of Energy Categorical Exclusion Determination Form

Program or Field Office: Energy Efficiency and Conservation Block Grant Program

Project Title AR-City-Jonesboro

Location: City Jonesboro AR

Proposed Action or Project Description

American Recovery and Reinvestment Act:

1) Conduct energy audits of municipal facilities, 2) replace aging computer server infrastructures with more modern, reliable, energy efficient equipment , 3) hire an energy and sustainability manager to oversee the energy efficiency and conservation block grant program, 4) synchronization of traffic signals at intersections within the corporate city limits and hire a consultant to complete the traffic signal synchronization plan, and 5) install fuel catalyst devices on the city's fleet—a pilot project to determine the effectiveness of the devices and reduce emissions from the diesel fleet.

Conditions: None

Categorical Exclusion(s) Applied: A1, A9, B1.32, B2.5, B5.1

*-For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR 1021.

This action would not: threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including DOE and/or Executive Orders; require siting, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities, but may include such categorically excluded facilities; disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that pre-exist in the environment such that there would be uncontrolled or unpermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4)) of Appendix B to Subpart D of 10 CFR 1021). Furthermore, there are no extraordinary circumstances related to this action that may affect the significance of the environmental effects of the action; this action is not "connected" to other actions with potentially significant impacts, is not related to other proposed actions with cumulatively significant impacts, and is not precluded by 40 CFR 1506.1 or 10 CFR 1021.211.

Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.

ORO NEPA Compliance Officer

Gary S. Hartman
