The NDRF is NOT a Plan

The Framework is a Scalable, Flexible Guide to Effective Recovery

- Defines roles and responsibilities
- Promotes the establishment of post-disaster organizations to manage recovery
- Promotes a deliberate and transparent process that provides well-coordinated support to the Community
- Offers strong, focused recovery leadership at the State and Tribal level, supported by strong Federal recovery leadership

The Process Continues...

The citizens of these towns took the devastation and loss of their communities as an opportunity to “re-think”, “re-design”, & “re-plan” their towns, re-building greener, more resilient, with a greater concentration on the “Whole Community”!
