DOE/FE Order No. 3611

On March 19, 2015, in DOE/FE Order No. 3611, the Office of Fossil Energy of the Department of Energy (DOE/FE) granted Spark Energy Canada Corp. (Spark Energy) authority to import and export up to a combined total of 2 Bcf of natural gas from and to Canada, pursuant to transactions that have terms of no longer than two years. The effective dates for the authorization were omitted inadvertently. To correct this omission, Ordering Paragraph A will be replaced with the following:

A. Spark Energy is authorized to import and export up to a combined total of 2 Bcf of natural gas from and to Canada, pursuant to transactions that have terms of no longer than two years. This authorization shall be effective for a two-year term beginning on March 19, 2015, and extending through March 18, 2017.

All other Findings and Ordering Paragraphs in DOE/FE Order No. 3611 remain in full force and effect.

Issued in Washington, D.C., on March 26, 2015.
