

NEPA Categorical Exclusion Determination Form

Program or Field Office: U.S. Department of Energy (DOE) Office of Legacy Management (LM)

Project Title: Routine Activities at Pinellas

Location: Pinellas County, Florida, Site

Proposed Action or Project Description:

LM is proposing to continue various routine monitoring, maintenance, inspection, and administrative activities that would be conducted by LM and Legacy Management Support (LMS) staff at the Pinellas County, Florida, Site. These activities are essential to meeting LM's overall mission to protect human health and the environment and to manage legacy land and assets.

Proposed activities include the following:

- Groundwater and surface water monitoring and sampling: Efforts include installation, abandonment, and sampling of groundwater monitoring wells; sampling surface water; monitoring equipment calibration and maintenance; well repair, maintenance, and development; laboratory analysis of samples; and generation and management of investigation-derived waste.
- Conducting methane and volatile organic compound assessments, which would involve the installation, purging and screening, and sampling of additional Vapor Pin device sampling locations.
- Conducting inspections.
- Land surveying.
- Administrative actions to support and maintain the Pinellas site, which may include the following:
Coordinating with the state agency, Florida Department of Environmental Protection; Pinellas County, which owns the property; and surrounding property owners. Other administrative activities including maintaining or revising the Resource Conservation and Recovery Act Hazardous and Solid Waste Amendments permit, preparing and entering into agreements or easements with the county and surrounding property owners, and amendment and extension of these agreements or easements.

Categorical Exclusion(s) Applied:

- A1 Routine DOE Business Actions
- A9 Information Gathering, Analysis, and Dissemination
- B1.3 Routine Maintenance
- B1.24 Property Transfers
- B3.1 Site Characterization and Environmental Monitoring

For the complete DOE National Environmental Policy Act (NEPA) regulations regarding categorical exclusions, including the full text of each categorical exclusion, see Subpart D of Title 10 *Code of Federal Regulations* Section 1021 (10 CFR 1021).

Regulatory Requirements in 10 CFR 1021.410(b): (See full text in regulation)

☒ The proposal fits within a class of actions that is listed in Appendix A or B to 10 CFR Part 1021, Subpart D

To fit within the classes of actions listed in 10 CFR Part 1021, Subpart D, Appendix B, a proposal must be one that would not: (1) threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, or similar requirements of DOE or Executive Orders; (2) require siting and construction or major expansion of waste storage, disposal, recovery, or treatment facilities (including incinerators), but the proposal may include categorically excluded waste storage, disposal, recovery, or treatment actions or facilities; (3) disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that preexist in the environment such that there would be uncontrolled or unpermitted releases; (4) have the potential to cause significant impacts on environmentally sensitive resources, including, but not limited to, those listed in paragraph B(4) of 10 CFR Part 1021, Subpart D, Appendix B; (5) involve genetically engineered organisms, synthetic biology, governmentally designated noxious weeds, or invasive species, unless the proposed activity would be contained or confined in a manner designed and operated to prevent unauthorized release into the environment and conducted in accordance with applicable requirements, such as those listed in paragraph B(5) of 10 CFR Part 1021, Subpart D, Appendix B.

☒ There are no extraordinary circumstances related to the proposal that may affect the significance of the environmental effects of the proposal.

NEPA Categorical Exclusion Determination Form

- ☒ The proposal has not been segmented to meet the definition of a categorical exclusion. This proposal is not connected to other actions with potentially significant impacts (40 CFR 1508.25(a)(1)), is not related to other actions with individually insignificant but cumulatively significant impacts (40 CFR 1508.27(b)(7)), and is not precluded by 40 CFR 1506.1 or 10 CFR 1021.211 concerning limitations on actions during preparation of an environmental impact statement.

Based on my review of the proposed action, as NEPA Compliance Officer (as authorized by the LM Director per DOE Policy 451.1), I have determined that the proposed action fits within the specified classes of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.
