Washington, DC 20585

WEATHERIZATION PROGRAM NOTICE 14-2
EFFECTIVE DATE: February 26, 2014

SUBJECT: PROGRAM YEAR 2014 GRANTEE ALLOCATIONS

PURPOSE: To provide final Grantee allocations for the preparation and submission of applications for funding of the Weatherization Assistance Program (WAP) for Program Year (PY) 2014.

SCOPE: The provisions of this guidance apply to all Grantees applying for financial assistance under the Department of Energy (DOE) WAP.

LEGAL AUTHORITY: Title IV, Energy Conservation and Production Act, as amended, authorizes the DOE to administer the WAP. All grant awards made under this program shall comply with applicable law and regulations including the WAP Regulations contained in 10 CFR Part 440.

PROCEDURES: On January 17, 2014, the President signed into law the 2014 Omnibus Bill for 2014. This Bill appropriated \$174 million to the Department of Energy for the WAP - \$171 million for formula distribution and \$3 million for training and technical assistance (T&TA) activities at Headquarters. After adjustments to the funding for set-asides and annual expense and the recovery of unspent funds from previous years, the WAP will be distributing \$179,162,476 in Program Year 2014— comprised of \$176,178,813 for the PY 2014 formula grants and \$2,983,663 for Headquarters T&TA activities. The allocation formula used to distribute these funds can be found in 10 CFR 440.10.

The final Grantee allocations included in this Notice are to be used in conjunction with Weatherization Program Notice 14-1 entitled the *Program Year 2014 Weatherization Grant Guidance*, with its two attachments: 1) the *Administrative and Legal Requirements Document*; and 2) the *Application Instructions*, in developing the annual Grant application for PY 2014.

A handwritten signature in cursive script, reading "AnnaMaria Garcia", is positioned above the printed name.
