

POLICY FLASH 2014-23

DATE: March 31, 2014

TO: Procurement Directors

FROM: Director
Contract and Financial Assistance Policy Division
Office of Policy
Office of Acquisition and Project Management

SUBJECT: Acquisition Guide 13.3
Simplified Acquisition Procedures

SUMMARY: The subject Acquisition Guide is revised to provide a knowledge base that may support the increase of single purchase limits based on the criteria established by the Federal Acquisition Regulations. Further, the subject Acquisition Guide provides pertinent definitions and applicable laws and regulations governing Simplified Acquisition Procedures as well as the responsibility and authority of participants in the acquisition process and elements essential to a contract.

This Flash will be available online at the following website:
