ORDER

By the General Counsel, U.S. Department of Energy:

1. In this Order, I adopt the attached Compromise Agreement entered into between the U.S. Department of Energy (“DOE”) and Custom Coolers, LLC (“Respondent”). The Compromise Agreement resolves the case initiated to pursue a civil penalty for violations of the compliance certification requirements located at 10 C.F.R. §§ 429.12 and 429.53.

2. DOE and Respondent have negotiated the terms of the Compromise Agreement that resolve this matter. A copy of the Compromise Agreement is attached hereto and incorporated by reference.

3. After reviewing the terms of the Compromise Agreement and evaluating the facts before me, I find that the public interest would be served by adopting the Compromise Agreement, which completes the adjudication of the case.

4. Based on the information in the case file and Respondent’s admission of violation in the Compromise Agreement, I find that Respondent committed Prohibited Acts as described at 10 C.F.R. § 429.102(a)(1). *See* 42 U.S.C. §§ 6302, 6316.

5. Accordingly, pursuant to 10 C.F.R. § 429.120 and 42 U.S.C. § 6303, **I HEREBY ASSESS** a civil penalty of \$8,000 **AND ORDER** that the Compromise Agreement attached to this Order is adopted.

COMPROMISE AGREEMENT

The U.S. Department of Energy (“DOE”) Office of the General Counsel, Office of Enforcement, initiated this action against Custom Coolers, LLC (“Respondent”) pursuant to 10 C.F.R. § 429.122 by Notice of Proposed Civil Penalty, alleging that Respondent had failed to submit a certification report for any basic models of walk-in cooler and freezer (“WICF”) components. Respondent, on behalf of itself and any parent, subsidiary, division or other related entity, and DOE, by their authorized representatives, hereby enter into this Compromise Agreement for the purpose of settling this specific enforcement action.

I. DEFINITIONS

The Agreement further incorporates by reference all of the definitions found within 42 U.S.C. §§ 6291 and 6311.

II. RECITALS

WHEREAS, DOE, pursuant to 42 U.S.C. § 6291 *et seq.*, is responsible for the promulgation and enforcement of the energy conservation requirements set forth in DOE Rules; and

WHEREAS, DOE has promulgated energy conservation standards for WICF components at 10 C.F.R. § 431.306 and requires manufacturers to submit information and reports to ensure compliance with those standards pursuant to 10 C.F.R. §§ 429.12 and 429.53; and

WHEREAS, DOE, pursuant to 42 U.S.C. § 6316 and 10 C.F.R. Part 429, Subpart C, is authorized to assess civil monetary penalties for actions prohibited by the Act, including failing to make reports or provide other required information; and

WHEREAS, DOE, on January 31, 2013, initiated an action to assess a civil penalty for failing to certify compliance and submit a certification report for any basic models of WICFs components; and

WHEREAS, Respondent admits:

1. Respondent manufactures and distributes WICF components;
2. These products have been in distribution in the United States since at least October 1, 2011;
3. WICF components are “covered equipment” as defined in 10 C.F.R. § 431.2; and
4. As of January 31, 2013, Respondent had not submitted the required certification report and compliance statement for the WICF components Respondent manufactures; and

WHEREAS, DOE, as the agency charged with developing and administering a balanced and coordinated national energy policy, concludes that, in light of the circumstances, this Compromise Agreement properly balances the policies recognized in the Energy Policy and Conservation Act and is the appropriate way to resolve this matter;

NOW, THEREFORE, in consideration of the foregoing and the mutual agreements set forth below, the sufficiency and adequacy of which are hereby acknowledged, the Parties agree as follows:

III. TERMS OF THE AGREEMENT

1. **Adopting Order.** The Parties agree that the provisions of this Compromise Agreement shall be subject to final approval by the General Counsel by incorporation of such provisions by reference in the Adopting Order without change, addition, modification, or deletion.
2. **Obligations of Respondent.**
 - a. Respondent agrees to pay the sum of \$8,000, as full satisfaction of the civil penalty proposed in the Notice, within thirty (30) days of the issuance of the Adopting Order.
 - b. Within sixty (60) calendar days following the issuance of the Adopting Order, Respondent will, in accordance with 10 C.F.R. § 429.12, certify all basic models of all covered products and equipment Respondent distributes in commerce in the United States.
3. **Obligations of DOE.**
 - a. In express reliance on the covenants and representations in this Compromise Agreement and to avoid further expenditure of public resources, DOE agrees to

accept Respondent's payment pursuant to section III.2 in full satisfaction of the penalty authorized by the Act.

- b. DOE agrees to promptly issue an Adopting Order adopting this Agreement.
 - c. DOE agrees to terminate this enforcement action with prejudice upon Respondent's completion of its Obligations in accordance with section III.2, above. If Respondent fails to complete its Obligations in accordance with section III.2, above, DOE may notify Respondent that the Agreement is null and void and may seek the maximum penalty in accordance with 10 C.F.R. § 429.120.
4. **Jurisdiction.** This Compromise Agreement is entered into pursuant to DOE's authority to interpret and enforce its rules for energy efficiency and to enter into its own agreements interpreting and applying those rules. The Parties agree that DOE has jurisdiction over Respondent and primary jurisdiction over the matters contained in this Compromise Agreement and has the authority to enter into this Compromise Agreement.
 5. **Effective Date.** The Parties agree that this Compromise Agreement shall become effective on the date on which the General Counsel issues the Adopting Order. Upon release, the Adopting Order and this Compromise Agreement shall have the same force and effect as any other Order of the General Counsel. Any violation of the Adopting Order or of the terms of this Compromise Agreement shall constitute a separate violation of an Agency Order, entitling DOE to exercise any rights and remedies attendant to the enforcement of an Agency Order.
 6. **Waivers.** Respondent agrees not to seek judicial review or otherwise contest or challenge the validity of the terms and penalties set out in this Compromise Agreement or the Notice associated with this case. If either Party (or the United States on behalf of DOE) brings a judicial action to enforce the terms of this Compromise Agreement, neither Respondent nor DOE shall contest the validity of the Compromise Agreement, and Respondent waives any statutory right to a trial *de novo*. Respondent hereby agrees to waive any claims it may otherwise have under the Equal Access to Justice Act, 5 U.S.C. § 504, relating to the matters addressed in this Compromise Agreement.
 7. **Final Settlement.** The Parties agree and acknowledge that this Compromise Agreement shall constitute a final settlement between the Parties. This Compromise Agreement resolves only issues addressed in the Compromise Agreement.
 8. **Merger.** This Compromise Agreement constitutes the entire agreement between the Parties and supersedes all previous understandings and agreements between the Parties, whether oral or written.
 9. **Modifications.** This Compromise Agreement cannot be modified without the advance written consent of both Parties.
 10. **Invalidity.** In the event that this Compromise Agreement in its entirety is rendered invalid by any court of competent jurisdiction, it shall become null and void and may not be used in any manner in any legal proceeding.
 11. **Authorized Representative.** Each party represents and warrants to the other that it has full power and authority to enter into this Compromise Agreement.

12. Counterparts. This Compromise Agreement may be signed in any number of counterparts (including by facsimile or electronic mail), each of which, when executed and delivered, shall be an original, and all of which counterparts together shall constitute one and the same fully executed instrument.
