

CALL FOR ABSTRACTS
For the
2015 National Environmental Justice Conference and Training
Program

The *2015 National Environmental Justice Conference and Training Program* planners are inviting individuals to submit abstracts, not to exceed two pages, related to environmental justice. Each abstract should include the submitter's name, affiliation, full contact information, and the amount of time being requested. The overall conference theme is *Enhancing Communities Through Capacity Building and Technical Assistance*.

While the 2015 Conference will have a special focus on "*Climate Justice*," the conference planners are interested in panel presentations, workshops, training modules, case studies, best practices and success stories in all environmental justice related areas. Individuals selected to present or moderate will serve on a voluntary basis. All moderators and presenters must register for the conference. Since registration is free for most participants, conference travel expenses and hotel accommodations will be at the participant's expense.

Submissions

Abstracts must be sent to: email@thenejc.org

Important Deadlines
