Docket No. PF13-4-000

NOTICE OF EXTENSION OF TIME

(August 27, 2014)

On July 31, 2014, the Commission issued a “*Notice of Intent to Prepare an Environmental Impact Statement for the Planned Gulf LNG Liquefaction Project, Request for Comments on Environmental Issues, and Notice of Public Scoping Meeting*” (NOI). The NOI identified September 1, 2014 as the close of the scoping period. It has come to our attention that the environmental mailing list was not provided timely copies of the NOI. Therefore, notice is hereby given that the scoping period is extended to **September 15, 2014**.

Please see the July 31, 2014 NOI for more information on the project, including how to file comments with the Commission.

Nathaniel J. Davis, Sr.,
Deputy Secretary.
