[Duke Energy Corporation -- Comments on DOE August 2014 Draft National El....docx](#)

Good Afternoon Mr. Meyer,

Attached please find Duke Energy Corporation's Comments on the draft National Electric Transmission Congestion Study dated August 2014.

Any questions or comments regarding the attached document should be directed to Bill Greene, Director of FERC Policy (513-287-2312, bill.greene@duke-energy.com), Nina McLaurin, FERC Policy Development Director (919-546-7927, nina.mclaurin@duke-energy.com), or Ann Warren, Associate General Counsel (704-382-2108, ann.warren@duke-energy.com).

Thank you,
Heather Schleicher
