

U.S. Department of the Interior Climate Change Response

"From the Everglades to the Great Lakes to Alaska and everywhere in between, climate change is a leading threat to natural and cultural resources across America, and tribal communities are often the hardest hit by severe weather events such as droughts, floods and wildfires"

- Secretary of the Interior Sally Jewell

"Impacts of climate change are increasingly evident for American Indian and Alaska Native communities and, in some cases, threaten the ability of tribal nations to carry on their cultural traditions and beliefs"

- Assistant Secretary of Indian Affairs Kevin Washburn

U.S. Department of the Interior Climate Change Response

Secretarial Order 3289, February 22, 2010

Addressing the Impact of Climate Change on America's Water, Land, and Other Natural and Cultural Resources

- Energy and Climate Change Council
- DOI Climate Science Centers
- Landscape Conservation Cooperatives

U.S. Department of the Interior Climate Change Response

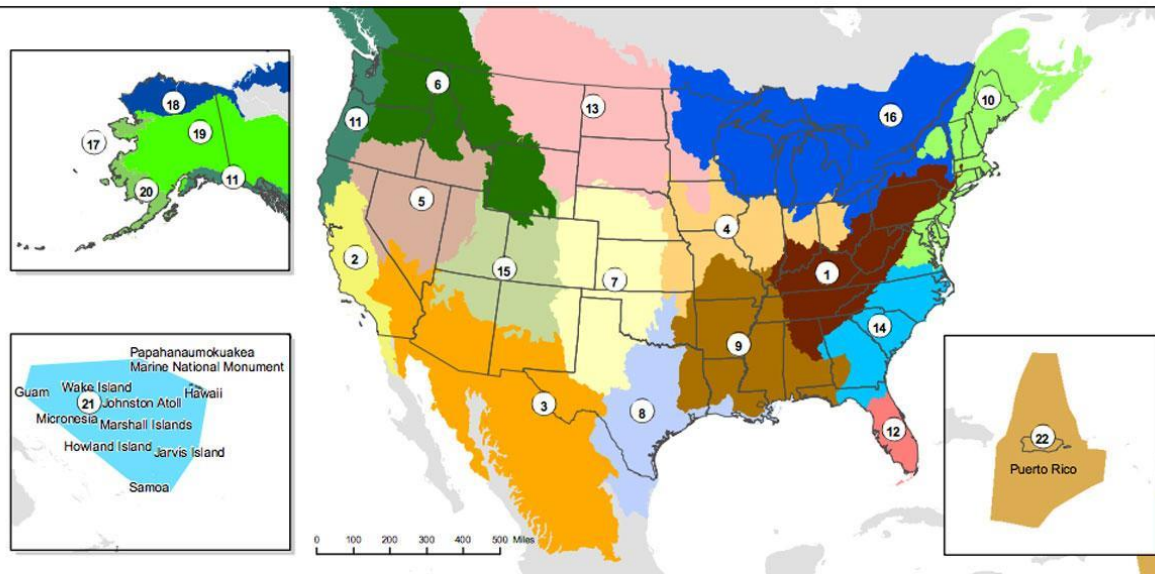

Tribal Cooperative Landscape Conservation Program

*Bureau of Indian Affairs will provide **\$8 million in FY 2015** to support tribal projects that address climate change impacts through vulnerability analysis, adaptation planning, and increased monitoring cycles for climate adaptation management, as well as projects that ensure ocean and coastal (including the Great Lakes) resource health, resiliency, community safety, and economic security for present and future generations.*

- Trainings & Workshops
- Climate Change Adaptation Planning
- Ocean and Coastal Management Planning
- Travel

**** Applications Due April 24, 2015 ****

California Landscape Conservation Cooperative

Tribal and Traditional Ecological Knowledge (TEK) Team

Bringing tribal perspectives to conservation and addressing tribal information needs.

- Basic vulnerability assessments for tribal lands and cultural resources
- Climate adaptation training for tribes
- Potential funding and project partners
- Cross-walking TEK and western science

California Landscape Conservation Cooperative

Tribal and Traditional Ecological Knowledge (TEK) Team

Members include representatives from:

- California Department of Water Resources
- Bureau Indian Affairs
- US Fish and Wildlife Service
- California Department of Food and Ag
- UC Davis
- San Francisco Estuary Institute
- Prescott College
- North Fork Mono tribe
- Nomtipom Wintu tribe
