Subject: Plains &a Eastern Clean Line Transmission Line. Part 2

Dr. Moniz,

This regards NON-NEPA Section 1222 review for Clean Line Energy Partners, LLC's proposed Plains & Eastern HVDC line.

There is not adequate time to review the complete application, so give us more time. Most people in my area know nothing about the application, and the general public needs to be informed.

Please schedule PUBLIC hearings and provide notice to all people.

Thank you,
Prescilla Sanders
