Re: Ex Parte Communication

On Wednesday, September 16, 2015 representatives of the Appliance Standards Awareness Project (ASAP) and Natural Resources Defense Council (NRDC) met with representatives of the Department of Energy to discuss the Notice of Proposed Determination for a Rulemaking for Computer and Battery Back-up Systems, Docket No. EERE-2013-BT-DET-0035, 79 FR 11345 (February 28, 2014). The efficiency advocates discussed a number of technical issues related to the test procedure and energy efficiency opportunities, identified in earlier written comments submitted to the docket and raised in the parallel rulemaking by the California Energy Commission.

The following individuals were present:

Ashley Armstrong, DOE

John Cymbalsky, DOE

Jeremy Domm, DOE

Andrew DeLaski, Appliance Standards Awareness Project

Pierre Delforge, Natural Resource Defense Council

Chris Granda, Appliance Standards Awareness Project

Respectfully submitted,

Chris Granda
