ABOUT BOOTS TO BUSINESS REBOOT

Boots to Business Reboot is a two step training program that provides participants an overview of business ownership as a career vocation, an outline and knowledge on the components of a business plan, a practical exercise in opportunity recognition, and an introduction to available public and private sector resources.

Step one is the Introduction to Entrepreneurship course eligible to Veterans of all eras, Servicemembers (including members of the National Guard and Reserves) and their spouses. This course is instructed by SBA and its partners who are skilled business advisors.

Step two is an eight-week online Foundations of Entrepreneurship course instructed by a consortium of professors and practitioners led by the Institute for Veterans and Military Families at Syracuse University.

Notes: i. A participant must complete the Introduction to Entrepreneurship course to be eligible for the Foundations of Entrepreneurship course. ii. Cosponsorship Authorization #15-2110-147. SBA's participation in this cosponsored activity is not an endorsement of the views, opinions, products or services of any cosponsor or other person or entity. All SBA programs and services are extended to the public on a nondiscriminatory basis. iii.
