- Indirect costs or overhead
- Cannot purchase the equipment for the assessment of energy and mineral resources (e.g. anemometer towers)
- Cannot purchase or lease the equipment for the development of energy and mineral resources
- Legal fees
- Application fees associated with permitting
- Development of unproven technologies

# Best Practices

- Contact DEMD to request technical assistance when preparing the technical portion of the proposal
- Elaborate on how the project fits with the Tribe's goals
  - Economic Development
  - Jobs & Income

# Best Practices

- Line Item Budget
  - Consultant / Tribal Personnel
  - Specific Studies
- Be specific in project tasks
- Describe what the end product for each task will be → *Deliverables*

# Absolute Requirements

- Tribal Resolution
  - Signed
  - Specifically addresses the proposed project
  - A statement that the tribe is willing to consider development of any potential energy or mineral resource discovered
  - A statement that the tribe will consider public release of information obtained from the energy and mineral development study.
  - Possibility to enter into a 638 contract with BIA region/agency
- Scope of Work & Detailed Budget
- Tribal Project Lead Contact Information

# Previous FY 2011 Scoring Criteria

- **10 pts** - Resource Potential
- **15 pts** - Marketability of the Resource
- **25 pts** - Economic Benefits Produced by the Project
- **20 pts** - Tribe's willingness to Develop and Commitment to the Project
- **15 pts** - Budget Completeness, Cost Reasonableness, Cost Realism and Detail
- **15 pts** - Adequacy of the Technical Proposal and Statement of Work

# *“When Will I hear if “The Project” has been Funded?”*

- Allow 30 -60 days after proposal due date
  - Formal letter will be written to the Tribal Chairperson/President
- In the event a project is funded
  - Each awarded project will be assigned an EMDP Project Monitor
  - Self-governance tribes
    - Tribe will receive funds from the self-governance office
    - Rare cases of a 638 contract with agency/region
  - Non-Self-governance tribes
    - Tribe will receive funds from their respective BIA agency/region via a 638 contract

# Reporting / Compliance

- **Project Term** - Review 638 contract
- **Quarterly reports** – Due dates may be determined b/w Tribe and EMDP Project Monitor or BIA
  - 1-2 pg summary of events, accomplishment, problems, budget review/summary, etc.
- **Final report** - Due at the end of project
