**Subject:** [EXTERNAL] SeaOne Gulfport (Order No. 3555 - FE Docket No. 14-83-CGL)

Dear Bill and Katherine:

As noted in SeaOne Gulfport's most recent semiannual report (Order No. 3555 - FE Docket No. 14-83-CGL, Dated October 1, 2019) SeaOne Gulfport is currently focused on supporting the commercialization of its Caribbean, Central and South American Fuels Supply Projects which are to be located in FTA countries. Accordingly I am writing to request that DOE/FE suspend action on SeaOne's NTFA application, 16-22-CGL, until further notice.

We appreciate the support and constructive dialogue we have shared regarding the NFTA application, and look forward to resuming discussions at a future date.

Best regards,  
Brian
