

U.S. Department of Energy Categorical Exclusion Determination Form

Program or Field Office: Energy Efficiency and Conservation Block Grant Program

Project Title NM-TRIBE-PUEBLO OF NAMBE

Location: Tribe NM-TRIBE- NM
PUEBLO OF
NAMBE

Proposed Action or Project Description

American Recovery and Reinvestment Act:

The Nambe Pueblo of New Mexico proposes to use passive insulation to conserve energy efficiency in order to minimize electricity and propane utilities from the Nambe Pueblo Development Corporation/Nambe Pueblo Hi-Tech Paint and Sand Blasting Facility. Additional insulation would be installed to the lighting fixtures, insulated metal doors would be installed, rigid insulation would be glued to the booth exterior with light fixture access cut outs, and the storage space portion would be upgraded with new insulation to reduce heating requirements from the building's gas and electric heat system.

Conditions: None

Categorical Exclusion(s) Applied: B2.5, B5.1

*-For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR 10.21

This action would not: threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including DOE and/or Executive Orders; require siting, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities, but may include such categorically excluded facilities; disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that pre-exist in the environment such that there would be uncontrolled or unpermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4)) of Appendix B to Subpart D of 10 CFR 1021). Furthermore, there are no extraordinary circumstances related to this action that may affect the significance of the environmental effects of the action; this action is not "connected" to other actions with potentially significant impacts, is not related to other proposed actions with cumulatively significant impacts, and is not precluded by 40 CFR 1506.1 or 10 CFR 1021.211.

Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.

ORO NEPA Compliance Officer

Gary S. Hartman
