Location: Tribe OR-TRIBE- OR
CONFEDERATED
TRIBES OF THE
GRAND RONDE
COMMUNITY OF
OREGON

Proposed Action or Project Descriptio

American Recovery and Reinvestment Act:

1) Acquire technical services to assist with development of the tribal energy efficiency and conservation strategy (completed, CX approved August 8, 2009); 2) acquire technical services to perform energy efficiency audits on select tribal buildings; 3) re-commission Governance Center (1998, no replacement of equipment involved); 4) perform energy efficiency and conservation retrofits on the Natural Resources Department Maintenance Shop (1997)—APPROVAL is for insulation enhancement and thermostat installation which are the only retrofits specified; if additional retrofits are identified after the building energy audit, additional NEPA review would be required; 5) EXCLUDED FROM NEPA APPROVAL—energy efficiency and conservation retrofits on unspecified municipal facilities in Grand Ronde (specific retrofits would be determined after building energy audits); and 6) acquire technical services to provide training to community members (CX approved August 8, 2009).

Conditions: Activity 4 is approved for insulation and thermostat installation only; EXCLUDES Activity 5

Categorical Exclusion(s) Applied: A9, A11, B2.5, B5.1

*-For the complete DOE National Environmental Policy Act regulations regarding categorical exclusions, see Subpart D of 10 CFR 10 21

This action would not: threaten a violation of applicable statutory, regulatory, or permit requirements for environment, safety, and health, including DOE and/or Executive Orders; require siting, construction, or major expansion of waste storage, disposal, recovery, or treatment facilities, but may include such categorically excluded facilities; disturb hazardous substances, pollutants, contaminants, or CERCLA-excluded petroleum and natural gas products that pre-exist in the environment such that there would be uncontrolled or unpermitted releases; or adversely affect environmentally sensitive resources (including but not limited to those listed in paragraph B.(4)) of Appendix B to Subpart D of 10 CFR 1021). Furthermore, there are no extraordinary circumstances related to this action that may affect the significance of the environmental effects of the action; this action is not "connected" to other actions with potentially significant impacts, is not related to other proposed actions with cumulatively significant impacts, and is not precluded by 40 CFR 1506.1 or 10 CFR 1021.211.

Based on my review of information conveyed to me and in my possession (or attached) concerning the proposed action, as NEPA Compliance Officer (as authorized under DOE Order 451.1B), I have determined that the proposed action fits within the specified class(es) of action, the other regulatory requirements set forth above are met, and the proposed action is hereby categorically excluded from further NEPA review.
