CAPTURING THE POWER OF NATURE

Iowa's municipal utilities saw this.

1. Economic feasibility studies.
2. Geologic research.
3. Computer modeling.

Will ISEP make money?

1. Missouri River Energy Services.
2. Southern Minnesota Municipal Power Agency.

Next steps:

1. Drill two test wells.
2. Pump tests, water & air.
3. Refine computer modeling.

Funding

1. Municipal utilities –\$1.15 million.
2. DOE - \$6 million.
3. Iowa Power Fund - \$3.2 million.
