MEMORANDUM FOR GREGORY H. WOODS
GENERAL COUNSEL
DEPARTMENT OF ENERGY

FROM: JEFFREY P. HARRELL 
ASSISTANT DEPUTY ADMINISTRATOR
FOR SECURE TRANSPORTATION

SUBJECT: 2013 ANNUAL PLANNING SUMMARY

In response to your memorandum of December 7, 2012, the following information is provided for the National Nuclear Security Administration Office of Secure Transportation (NA-15) in Albuquerque, New Mexico. There are no planned environmental assessments or environmental impact statements for the coming months. Real estate operated by the Office of Secure Transportation are scattered throughout the United States. Because of the varying environments, it is not practical to prepare a programmatic National Environmental Policy Act (NEPA) document and would not facilitate NEPA compliance efforts. For this reason, NEPA reviews are performed site specifically.

Please direct any questions regarding this summary to Jeff Robbins, NEPA Compliance Officer, at (505) 845-4426.
