

2013 US Department of Energy National Transportation Stakeholders Forum

Hello Everyone,

It's time to register for the 2013 U.S. Department of Energy National Transportation Stakeholders Forum being held in Buffalo, New York on May 14-16. Please access the entitled link to proceed directly to the official registration website. Once you have entered the site you will be able to register for the meeting, select activities (regional/working meetings, group breakout sessions, TRANSCOM training and the West Valley tour) to attend, view the draft agenda and make lodging reservations. While the event is over two months away, please register at your earliest opportunity as it will greatly help our planning effort.

Also, be on the lookout for additional correspondence detailing changes to the agenda and providing options for social functions in the area. Finally, for your reference, should you need to retrieve this information again it will be available on The Council of State Governments, Eastern Regional Conference and the NTSF websites.

We look forward to seeing you at the Forum!
