

Stop.Think.Connect.

Tips for keeping your personal information safe, your family protected, and our national security intact.

Stop hackers from accessing your accounts — set secure passwords.
Stop sharing too much information — keep your personal information personal.
Stop — trust your gut. If something doesn't feel right, *stop what you are doing*.

Think about the information you want to share before you share it.
Think how your online actions can affect your offline life.
Think before you act — don't automatically click on links.

Connect over secure networks.
Connect with people you know.
Connect with care and be on the lookout for potential threats.
