

National Veterans SMALL BUSINESS CONFERENCE

★☆☆ AUGUST 6 – 8, 2013 | ST. LOUIS, MO

Building Partnerships - Veterans, Business, and Government

Showing You the Money

**U.S. Department of Energy
Office of Small and Disadvantaged Business Utilization
(OSDBU)**

John Hale III
Deputy Director
U.S. DOE OSDBU

Total Business Opportunities

Program/Site Office	No. of Opportunities	Total
National Nuclear Security Administration (NNSA)	7	~\$6,974,000,000
Office of Fossil Energy (FE)	5	TBD
Office of Energy Efficiency & Renewable Energy (EE)	6	~\$92.1M
Office of Science (SC)	3	TBD
Office of Environmental Management (EM)	99	~\$378,057,800

National Nuclear Security Administration (NNSA) – Extensive-Site IT Support Services

- Estimated Value: >\$200M
- Period of Performance: 5 Years (First QTR FY 2013)
- Incumbent: Various
- Acquisition Approach: GSA Schedule 70, BPAs
- Draft PWS Released: On FedConnect Now
- NAICS Code: 541513 (\$25.5M)
- Description: General desktop support, cyber, hard/software
- Sites: Washington DC Metro Area
Albuquerque, New Mexico

Contact Information:

Greg Gonzales – (505) 845-5420

ggonzales@doeal.gov

Gary Lyttek – (202) 586-8304

gary.lyttek@nnsa.doe.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

National Nuclear Security Administration – NEPA Environmental Services

- Estimated Value: ~\$125M
- Period of Performance: 5 Years
- Incumbent: Various
- Acquisition Approach: TBD
- Estimated RFP Release: First Quarter FY 2014
- NAICS Code: 541620 (\$14M)
- Description: Provide NEPA environmental services across the NNSA and DOE enterprise

Contact Information:

Greg Gonzales – (505) 845-5420

ggonzales@doeal.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

National Nuclear Security Administration – Global Threat Reduction Initiative – Freight Transportation Support Services

- Estimated Value: ~\$20-\$25M
- Period of Performance: 5 Years (First Quarter FY 2014)
- Incumbent: None
- Acquisition Approach: SBSA Non-FSS
- Estimated Draft RFQ Release: First Quarter FY 2013
- NAICS Code: 488510 (\$14.0M)
- Description: Arranging for the packing and transportation of research reactor material primarily to U.S. locations.

Contact Information:

Greg Gonzales – (505) 845-5420
ggonzales@doeal.gov

Gary Lyttek – (202) 586-8304
gary.lyttek@nnsa.doe.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

National Nuclear Security Administration – Nuclear Explosives Safety Services

- Estimated Value: >\$4M
- Period of Performance: 5 Years
- Incumbent: JG Mgt. Services
- Acquisition Approach: 8(a) SBSA
- Estimated Draft RFP Release: First Quarter FY 2013
- NAICS Code: 541690 (\$14.0M)
- Description: Experts and professionals in the area of Nuclear Explosive Safety and other areas of high consequence operations shall conduct Nuclear Explosive Safety assessments; provide recommendations for safe operation of facilities and assess the safety of nuclear explosive operations.

Contact Information:

Greg Gonzales – (505) 845-5420

ggonzales@doeal.gov

Gary Lyttek – (202) 586-8304

gary.lyttek@nnsa.doe.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

National Nuclear Security Administration – Training & Logistics – OST – Office of Secure Transportation

- Estimated Value: ~\$100M
- Period of Performance: 5 Years
- Incumbent: ITP, LLC
- Acquisition Approach: SBSA
- Estimated RFP Release: First Quarter FY 2014
- NAICS Code: 561210 (\$35.5M)
- Description: Training and logistics services to support Material Handlers for the Office of Secure Transportation.

Contact Information:

Greg Gonzales – (505) 845-5420

ggonzales@doeal.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

National Nuclear Security Administration – Uranium Processing Facility – UPF (Subcontracting Opportunity – Tennessee)

- Estimated Cost Range: \$4.2B-\$6.5B
- Subcontracting Opportunities ~\$1.8B-\$2.5B
- Workforce: Current (600); Peak (1500)
- Current Status: Design
- Estimated Completion: ~FY2025
- Description: Provides safe, secure and reliable enriched uranium operations, replacing antiquated WWII-era facilities.

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

Uranium Processing Facility

National Nuclear Security Administration – Cisco Products and Services - (Subcontracting Opportunity) – Lawrence Livermore National Lab (LLNL)

- Estimated Value: ~\$20M
- NAICS Code: 423430 (100 employees)
- Period of Performance: 4 Years
- Incumbent: Leverage Information Systems
- Acquisition Approach: SBSA
- Estimated RFP Release: First Quarter FY 2014
- Description: Provide Cisco products and services and Cisco-related third party products and services.

Contact Information:

Michelle Quick – (925) 422-0105

quick1@llnl.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

National Energy Technology Laboratory (NETL) – Office of Fossil Energy – Engineering Support Services

- Anticipated Award Date: FY 2015
- Contract Type: Prime Contract
- NAICS Code: 541712
- Acquisition Approach: Full & Open Competition
- Estimated RFP Release: Second Quarter FY 2014
- Description: This award will provide research and engineering support services to NETL for a five year period.

Contact Information:

Larry Sullivan – (412) 386-6115

Larry.sullivan@netl.doe.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

National Energy Technology Laboratory (NETL) – Office of Fossil Energy – Management Support Services

- Anticipated Award Date: FY 2015
- Contract Type: Prime Contract
- NAICS Code: 541712
- Acquisition Approach: Full & Open Competition
- Estimated RFP Release: Second Quarter FY 2014
- Description: To provide NETL with Energy Sector Planning and Analysis Support Services.

Contact Information:

Larry Sullivan – (412) 386-6115

Larry.sullivan@netl.doe.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

National Energy Technology Laboratory (NETL) – Office of Fossil Energy – Management Support Services

- Anticipated Award Date: FY 2015
- Contract Type: Prime Contract
- NAICS Code: 541330
- Acquisition Approach: Setaside for Small Business
- Estimated RFP Release: Second Quarter FY 2014
- Description: This award will provide project and program execution and integration support services.

Contact Information:

Larry Sullivan – (412) 386-6115

Larry.sullivan@netl.doe.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

Office of Fossil Energy (FE) – Management Support Services

- Anticipated Award Date: FY 2014
- Program Office Within Office of FE: Office of Management
- Contract Type: Prime Definitive Contract
- NAICS Code: 541611
- Type of Acquisition: Support Services
- Acquisition Approach: Small Business 8(a) Setaside Competitive
- Estimated RFP Release: Fourth Quarter FY 2013
- Description: Administrative management and general management consulting services.

Contact Information:

Miranda Johnson – (202) 586-7661

Miranda.johnson@hq.doe.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

Office of Fossil Energy (FE) – Technical and Management Services

- Anticipated Award Date: FY 2013
- Contract Type: Federal Supply Schedule
- NAICS Code: 541330
- Type of Acquisition: Technical and Management Svcs.
- Acquisition Approach: Small Business Setaside
Competitive
- Estimated RFP Release: Fourth Quarter FY 2013
- Description: Engineering services

Contact Information:

Miranda Johnson – (202) 586-7661

Miranda.johnson@hq.doe.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

Office of Energy Efficiency & Renewable Energy (EE) – Information Technology Over Internet Protocol, VoIP + Internet Services

- Estimated Value: \$1M-\$5M
- Period of Performance: FY 2014
- Incumbent: T2 Technologies
- NAICS Code: 517919
- Anticipated Release Date: TBD
- Place of Performance: Colorado – Golden Field Office
- Description: Methodology and group of technologies for the delivery of voice communications and multimedia sessions over Internet Protocol (IP) networks.

Contact Information:

Lani MacRae – (720) 356-1517

Lanie-macrae@go.doe.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

Office of Energy Efficiency & Renewable Energy (EE) – Engineering Services

- Estimated Value: \$85M
- Period of Performance: FY 2014
- Incumbent: New West-Energetics-Joint Venture, LLC
- NAICS Code: 541330
- Acquisition Approach: GSA Federal Supply Schedule Setaside for 8(a)
- Anticipated Release Date: First Quarter
- Place of Performance: District of Columbia
- Description: The contractor must have significant experience providing professional, scientific, engineering & technical support services to Federal agencies or other entities in program areas such as; renewable technologies including solar, geothermal, wind, and water.

Contact Information:

Lani MacRae – (720) 356-1517

Lanie-macrae@go.doe.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

Office of Energy Efficiency & Renewable Energy (EE) – Management Support Services

- Estimated Value: \$1M-\$5M
- Period of Performance: FY 2014
- Incumbent: Environ-Management & Research Inc.
- NAICS Code: TBD
- Acquisition Approach: Small Business Setaside
- Anticipated Release Date: First Quarter
- Place of Performance: District of Columbia
- Description: Technical support requirement for the Federal Energy Management Program (FEMP) Operations and Maintenance (O&M) Working Group including studies, assessments, metering plans and utility rate analysis, energy data information system development, expert energy efficiency evaluation studies, operation and maintenance training, water projects, building commission/retro commissioning, and development of O&M program communications plan and program materials.

Contact Information:

Lani MacRae – (720) 356-1517

Lanie-macrae@go.doe.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

Office of Energy Efficiency & Renewable Energy (EE) – Engineering Services

- Estimated Value: \$500K-\$1M
- Period of Performance: FY 2014
- Incumbent: Navigant
- NAICS Code: 541690
- Acquisition Approach: Full and Open Competition
- Anticipated Release Date: First Quarter
- Place of Performance: District of Columbia
- Description: The types of supporting activities include comprehensive technical analyses, equipment and product evaluation, technology assessments, rulemaking, market and feasibility studies, impact assessments, and technical communications. These activities are not self-contained or independent of each other and they continue over the rulemaking process which typically takes three years.

Contact Information:

Lani MacRae – (720) 356-1517

Lanie-macrae@go.doe.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

Office of Energy Efficiency & Renewable Energy (EE) – Management Support Services

- Estimated Value: \$100K-\$500K
- Period of Performance: FY 2013
- NAICS Code: 541611
- Acquisition Approach: Small Business Setaside
- Anticipated Release Date: Fourth Quarter
- Place of Performance: District of Columbia
- Description: Support service for the DOE Challenge Home Program located in the Office of Building Technologies, Office of Energy Efficiency and Renewable Energy.

Contact Information:

Lani MacRae – (720) 356-1517

Lanie-macrae@go.doe.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

Office of Energy Efficiency & Renewable Energy (EE) – Management Support Services

- Estimated Value: TBD
- Period of Performance: FY 2013
- NAICS Code: 541611
- Acquisition Approach: Small Business Setaside
- Anticipated Release Date: Fourth Quarter
- Place of Performance: District of Columbia
- Description: Building re-tuning training market analysis and deployment support.

Contact Information:

Lani MacRae – (720) 356-1517

Lanie-macrae@go.doe.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

Office of Science (SC) – Safety and Technical Services – FY 2014

Provide broad-based technical, management, and administrative services to Oak Ridge Operations. Services include the following areas: construction and project management oversight, environmental protection, quality assurance, safety and health, fire protection, and nuclear safety.

Contact Information:

Freda Hopper – (865) 576-9430

hopperfh@oro.doe.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

Office of Science (SC) – Telecommunications – FY 2014

Operation and maintenance services for the Oak Ridge Federal Integrated Communications Network. The scope of work is to operate, maintain, repair, and service the Oak Ridge Federal Integrated Communications Network Hardware, system interfaces, software, and transmission facilities.

Contact Information:

Freda Hopper – (865) 576-9430

hopperfh@oro.doe.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

Office of Science (SC) – Transuranic Waste – FY 2014

The contract requirement is to process and support the disposition of legacy and newly generated Contact Handled (CH) and Remote Handled (RH) Transuranic Uranium (TRU) Wastes (soils and debris) and RH TRU sludge at the TRU Waste Processing Center (TWPC). This activity includes the coordination, receipt, and storage of legacy and newly generated TRU waste from Oak Ridge National Laboratory and other entities, as well as the procurement, construction, commission, and initial operation of a full-scale sludge processing system.

Contact Information:

Freda Hopper – (865) 576-9430

hopperfh@oro.doe.gov

* Opportunity forecasts are subject to change at the discretion of the Contracting Officer

Office of Environmental Management (EM) – EM Consolidated Business Center (EMCBC)

Description of Opportunity	Anticipated Award Date	Estimated Value
EMCBC Office Build Out	August – Sept. 2013	\$100K
EMCBC Help Desk Support (Four Task Orders)	August – Sept. 2013	\$1M
EMCBC Computer Buy	August – Sept. 2013	\$100K
