

Technical Training Needs Assessment (TNA)/Individual Development Plan (IDP) and Continuing Education

Las Vegas, NV

May 15, 2012

TNA/IDP and Continuing Education

Objective Goal: Integrate the numerous Departmental training needs assessments into one viable tool that includes input from IDPs and includes continuing education.

- Determine the needs and purpose of a TNA
 - Conducted 3 meetings with NTC, LDTS, Project Management, and Acquisition Management Representatives
 - Identified current processes
 - Identified assessment timing and most desired outcomes
- Effort put on hold until July 1 due to conduct of FY13 TNAs
