

Are you a
passionate
learner?

Do you work in a
learning
organization?

Will you invest
in your own
development
and are
looking for a
way to get
started?

Let us help
you!

Continual Learning Program: Employee Development

Provides tools and resources for promoting continual learning, individual development, and strategic workforce development at the Department of Energy. It includes four learning sessions described below.

Keep Learning Even with Tight Budgets

When you attend the session, you will be able to:

- ✓ Reflect on how you view continual learning
- ✓ Discuss the importance of continual learning
- ✓ Use an easy way to approach self-development
- ✓ Identify no-cost ways to continuously learn and develop

Let's Work on Your IDP

When you attend the session, you will be able to:

- ✓ Describe DOE IDP requirements
- ✓ Explain the IDP process
- ✓ Explain IDP roles & responsibilities
- ✓ Identify the benefits of having an IDP
- ✓ Describe high-quality IDPs

Employee Development for Supervisors

When you attend the session, you will be able to:

- ✓ Explain DOE IDP requirements
- ✓ Explain IDP roles & responsibilities
- ✓ Explain the IDP process
- ✓ Participate in an Employee/Supervisor IDP Meeting
- ✓ Describe high-quality IDPs
- ✓ Discuss ways to facilitate effective employee development
- ✓ Use tools for employee development

How to Create Your IDP in ESS

When you attend the virtual session, you will be able to:

- ✓ Navigate ESS to get to the IDP module
- ✓ Identify the procedures for creating an IDP in ESS
- ✓ Create an IDP in ESS
