Mr. David Hemelright, Chair
Oak Ridge Site Specific Advisory Board
Post Office Box 2001
Oak Ridge, Tennessee 37831

Dear Mr. Hemelright:

RESPONSE TO YOUR LETTER DATED SEPTEMBER 11, 2014, *RECOMMENDATION 225, RECOMMENDATION ON DOE OAK RIDGE GIS FACT SHEETS*

Reference: Letter from David Hemelright to Susan Cange, *Recommendation 225: Recommendation on DOE Oak Ridge GIS Fact Sheets*, dated September 11, 2014.

I would like to express my appreciation for interest the Board has taken in tools that the Oak Ridge Office of Environmental Management (OREM) has developed to ensure that implemented cleanup measures continue to protect the environment and human health. This interest reflects your care and concern for the local residents you represent by serving on this Board.

It is very important to OREM that the public has appropriate information on residual contamination located on the Oak Ridge Reservation. Based upon your recommendation, the Geographical Information System fact sheets currently available to the public will be updated to capture the current and anticipated future status of all interim cleanup actions.

If you have questions or if we can be of any further assistance, please contact me at (865) 576-4094.

Sincerely,

A handwritten signature in black ink, appearing to read "David G. Adler". The signature is fluid and cursive, with a large initial "D" and "A".
