Pursuant to Section 2422.1 of the Regulations of the Federal Labor Relations Authority, a petition was filed seeking to amend the certification granted to the National Federation of Federal Employees, Local 181 in Case No. SF-RP-70035 on July 2, 1997, as clarified in Case No. SF-RP-90010 on August 4, 1999 and certified in Case No. SF-RO-80066 on March 31, 2000, as the exclusive representative of certain nonprofessional employees of the U.S. Department of Energy, Richland Operations Office, Richland, Washington by changing the designation of the exclusive representative for this bargaining unit, from the National Federation of Federal Employees, Local 181 to the American Federation of Government Employees, AFL-CIO.

On May 30, 2000, I issued a Decision and Order finding that the certification may be amended, as requested. The parties waived their right to file an Application for Review. Pursuant to the authority vested in me as Regional Director,

I ORDER that the certification granted to the National Federation of Federal Employees, Local 181, as the exclusive representative of the following unit of nonprofessional employees:

Included: All nonsupervisory, nonprofessional employees of the Richland Operations Office of the U.S. Department of Energy, including the GS-12 Program Analyst, Site Infrastructure Division, Management Information Team.

Excluded: All supervisors, management officials, employees engaged in Federal personnel work in other than a purely clerical capacity, and temporary employees on appointments not to exceed 90 days.

is amended by changing the designation of the exclusive representative from the National Federation of Federal Employees, Local 181 to the American Federation of Government Employees, AFL-CIO.

Dated: June 12, 2000
