Mobile Concrete Batching Plants

Meyil is manufacturing its mobile concrete batching plants for the production of concrete under difficult conditions that requires durability and low operation cost.

Models	MX30	MX60	MX100	MX120
Capacity (m ³ /hr)	30	60	100	120
Mxing cycle time (cycle/hr)	60	60	60	60
Mixer capacity (m ³)	0,5	1	2	3
Aggregates Bunker (m ³)	40	40	100	100
Cement weighing bunker (kg)	300	500	1200	1500
Water weighing bunker (liters)	150	300	500	600
Additive weighing bunker (kg)	20	20	50	50

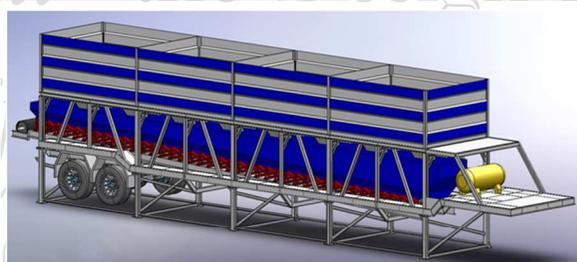

Fast Installation.

Economical design.

Easy transportation.

High durability and low operation cost.

Special cast mixer linings - 500.000m³ of concrete.
