

U.S. Department of Energy Earth Day 2015 Photo Contest

CALLING ALL PHOTOGRAPHERS

Professionals, amateurs, and the camera sharp shooter!

We invite all DOE employees and DOE contractors to share images of ways we save the planet.

One winner will be selected from each of the following five categories:

1. Conservation
2. Community
3. Alternative Power
4. Energy Efficiency
5. Sustainability

Entry Procedures and Requirements:

- Submit photographs via email to Diane Burnes at dburnes@pec1.net by 4 pm ET Tuesday, March 31, 2015
 - jpg or .tiff images preferred
 - Maximum of one photograph per category
 - Files must not exceed 15MB
 - Please size photographs to no larger than 8"X10"
- Note the category in which you are submitting the photo
- Title each photograph in the file name and the email
- Include your contact information in the email

Where to View:

A broad selection of the submitted photographs will be featured at DOE's Headquarters from April 13 thru April 21, and during Community Day, Wednesday, April 22, 2015, from 11:00 am – 2:00 pm, on the DOE Forrestal West Plaza. Photos will also be displayed on the DOE website.

Judging:

The 2015 DOE Earth Day Planning Committee will determine a winning photograph from each of the five categories (noted above).

Winners will be announced April 22, 2015, and will be notified via email. Their photographs will receive special recognition on Community Day and will be featured on the DOE website.
