MANUFACTURING INITIATIVE  

---

U.S. DEPARTMENT OF ENERGY

# You're Invited

## July 9<sup>th</sup>, 2015

Please join Assistant Secretary for  
Energy Efficiency and Renewable Energy

**Dr. David Danielson**

and other U.S. Department of Energy leaders for

**The Clean Energy Manufacturing Initiative's**

# Southeast Regional Summit

*Presented by the U.S. Department of Energy*

**Renaissance Atlanta Midtown Conference Center  
866 West Peachtree Street, Northwest  
Atlanta, Georgia**

**The Summit convenes leaders from industry, academia, and government to:**

- Inform the Clean Energy Manufacturing Initiative's efforts to strengthen regional and national manufacturing competitiveness
- Showcase innovations in clean energy technology manufacturing and advanced manufacturing in the region
- Highlight federal and state resources for manufacturers and innovators to scale innovation to manufacturing
- Foster networking between innovators, manufacturers, and federal and regional resources
