Washington, DC 20585

WEATHERIZATION PROGRAM NOTICE 12-2
EFFECTIVE DATE: February 8, 2012

SUBJECT: PROGRAM YEAR 2012 GRANTEE ALLOCATIONS

PURPOSE: To provide final Grantee allocations for the preparation and submission of applications for funding for the Weatherization Assistance Program (WAP) for Program Year (PY) 2012.

SCOPE: The provisions of this guidance apply to Grantees applying for financial assistance under the Department of Energy (DOE) WAP.

LEGAL AUTHORITY: Title IV, Energy Conservation and Production Act, as amended, authorizes the Department of Energy to administer the Weatherization Assistance Program. (42 U.S.C. § 6861, *et. seq.*) All grant awards made under this program shall comply with applicable law and regulations including the WAP regulations contained in 10 CFR 440.

PROCEDURES: Congress has passed and the President has signed the FY 2012 Energy and Water Appropriations Act, Pub. L. 112-74. The FY 2012 Appropriations Act funds Weatherization at \$68,000,000. This funding level is less than one-third of that recently provided annually through Appropriations for WAP. Congress also provided the DOE Secretary authority to waive the allocation formula established in the WAP regulations for Program Year 2012.

DOE has determined that an appropriation level of \$68 million cannot sustain an effective national weatherization program using the regulatory formula to allocate funds. The Secretary is exercising the provided authority and funds are being allocated in an effort to provide States WAP funding in PY 2012 at a level comparable to funding levels prior to the Recovery Act, with consideration of carry-over funding available to States and the funding level provided through FY2012 appropriations. There will be Grantees that will receive no new DOE funding for FY 2012.

Grantees should refer to the Funding Opportunity Announcement No.DE-FOA0000641 or any subsequent guidance documents for additional information on the funding and allocation process.

Note: Sustainable Energy Resource for Consumers Grants will not be funded in 2012.

The final Grantee allocations attached are to be used in conjunction with Weatherization Program Notice 12-1, Program Year 2012 Weatherization Grant Guidance, in developing the annual grant application for 2012. Grantees should develop their 2012 Grantee plans based on these allocations

Annamaria Garcia
Acting Program Manager
Office of Weatherization and Intergovernmental Program
Energy Efficiency and Renewable Energy
