Decision Makers

- Joint Business Council
- Eastern Shoshone Tribe
 - Contact: Jeremy Perry
 - Agreement with DOE
 - Intertribal COUP member
- Northern Arapaho Tribe
 - Contact: Mike Lawson

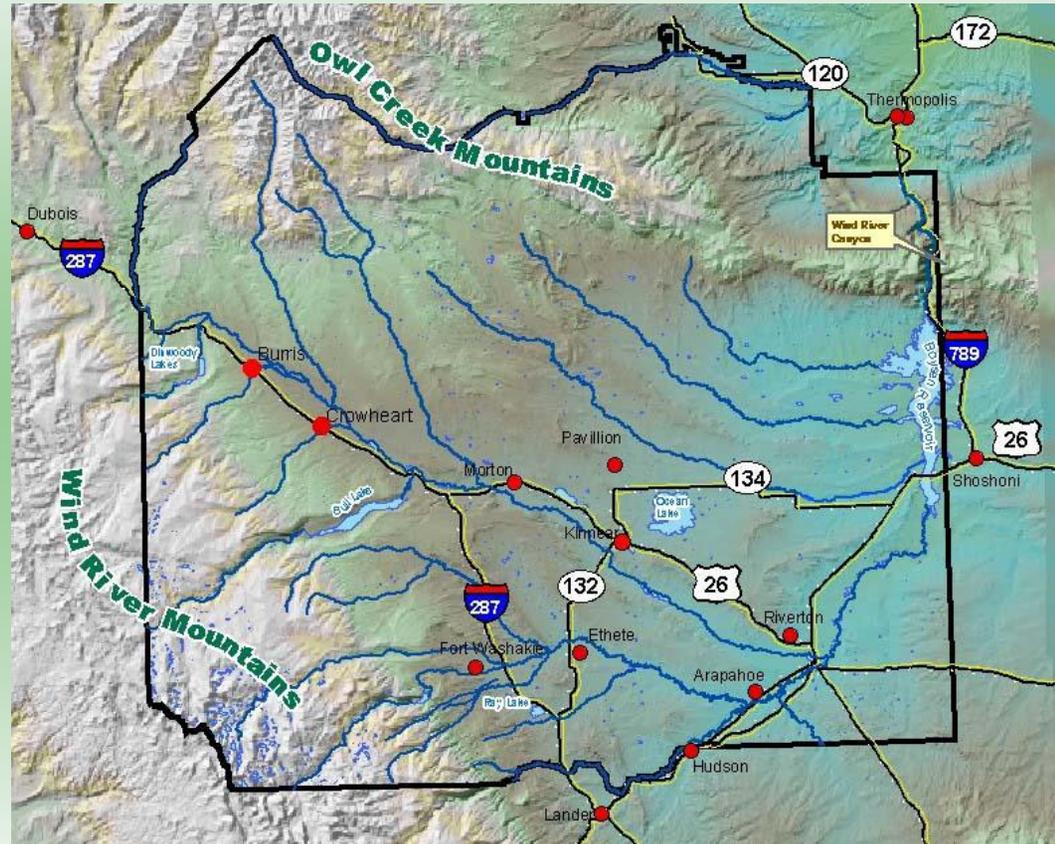

Eastern Shoshone & Northern Arapaho Tribes on the Wind River Reservation

Decision Makers

- 2.2 million acres reservation is shared by 2 Tribes.
- 3500 Eastern Shoshone members
- 7,000 Northern Arapaho members

Eastern Shoshone & Northern Arapaho Tribes on the Wind River Reservation

Funding Assistance

- \$224,155 Budget
- DOE Tribal Energy Program
\$190,405
- Tatanka/Disgen
Cost Share \$33,750

Eastern Shoshone & Northern Arapaho Tribes on the Wind River Reservation

Technical Assistance

- Tatanka Energy Services
 - Pat Spears
- Distributed Generations Systems, Inc
 - Native American Programs and Resources
 - Belvin Pete, Navajo
 - Kandi Mossett, Mandan, Hidatsa, & Arikara Nations
 - Western EcoSystem Technologies
 - Ed McCarthy, Meteorologist
- Providing the Cost Share to the Feasibility Study

Eastern Shoshone & Northern Arapaho Tribes on the Wind River Reservation

Objectives

- Assess wind resources on the tribal lands
- Assess the potential environmental impacts of renewable development
- Assess the transmission capacity and capability
- Establish economic models for tribal consideration
- Define economic, cultural and societal impacts
- Submit a final report on the activity

Eastern Shoshone & Northern Arapaho Tribes on the Wind River Reservation

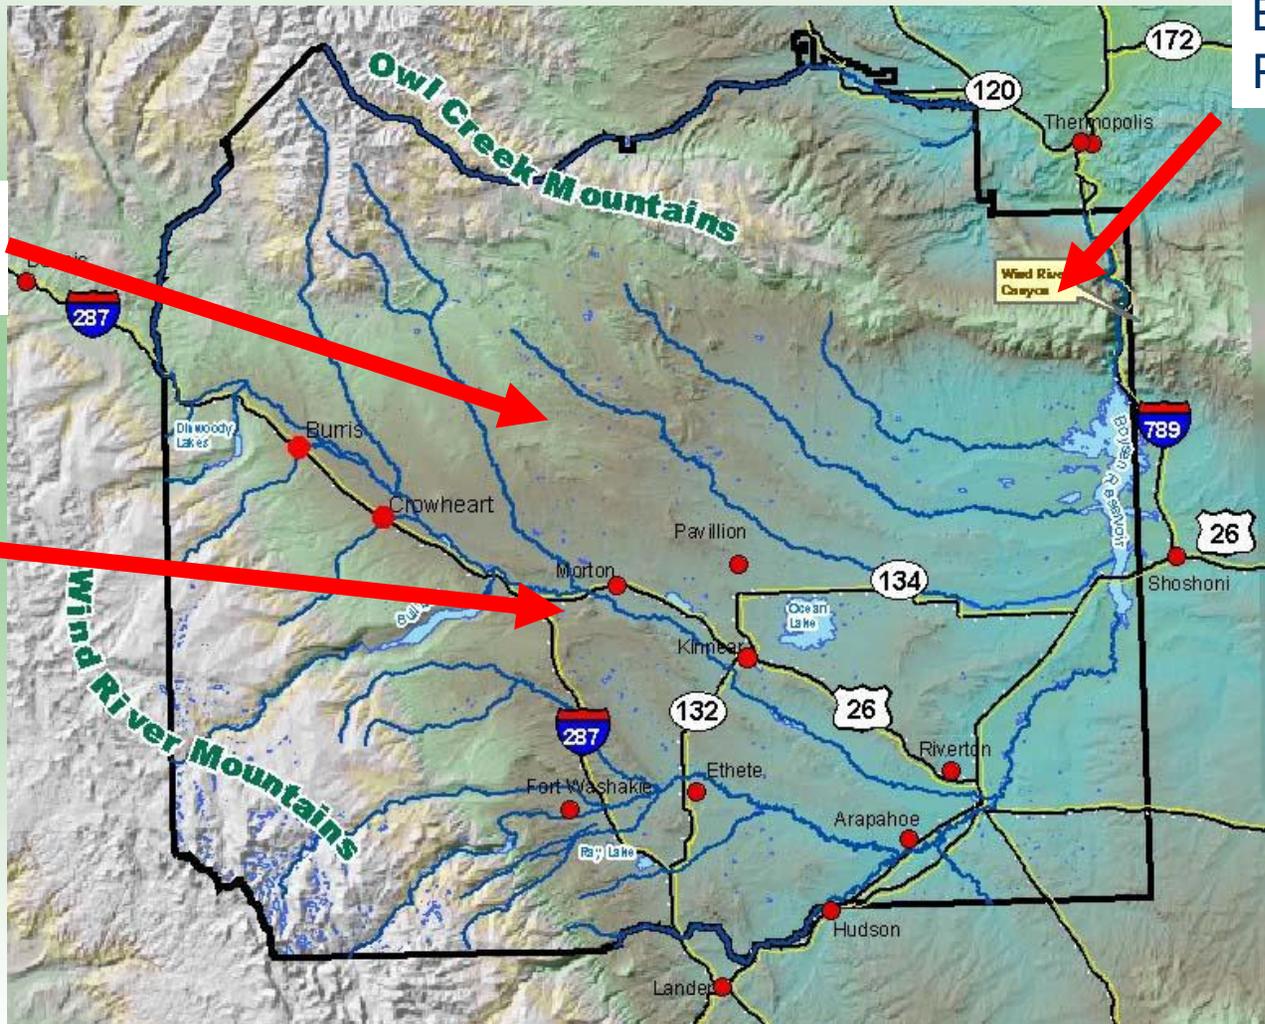

Relevant Background Information

- Wind Powering America
- Anemometer Loan Program
- 2 sites were evaluated
 - Bighorn Flats
 - Boysen Peak

Eastern Shoshone & Northern Arapaho Tribes on the Wind River Reservation

Project Locations

Sheldon
Dome Site

Big Horn
Flats Site

Boysen
Peak Site

Eastern Shoshone & Northern Arapaho Tribes on the Wind River Reservation

Accomplishments

- Site Visits by Participants
- Joint Business Council approved Sheldon Dome site.
 - Instrument an existing communication tower
- The Boysen Peak site is on next agenda for approval

Eastern Shoshone & Northern Arapaho Tribes on the Wind River Reservation

Technical or Management Issues

- Communication
- Communication
- Communication

Eastern Shoshone & Northern Arapaho Tribes on the Wind River Reservation

Activities Yet to Be Completed

- Met Tower installations
 - Planned November
- Collect 1 year of wind data
- Phase One Avian Screening
- Transmission Capability Review
- Economic / Market Review
