

Lab-Impact

Where do we go from here?

Victor Kane, EERE National Lab Impact Director

What Are Our Plans for the Future?

- Build great new partnerships
- Measure impact and continually improve existing programs
- Develop additional pilot programs such as:
 - Pre and post Lab-Corps support
 - National Lab, university and clean tech incubator collaboration
 - Competition and funding for startups using Lab technology

Join the discussion and talk to us about what we can do.
