e-TQP Enhancements

- ▶ eTQP Managers – more flexibility
 - Assign qualification in a single process and have access to participant profile page
 - Correct/update participant legacy qualification records/files
- ▶ Added 180, 90, and 45 day reminders for qualification due dates
- ▶ Added additional personnel sorting/filtering capabilities
- ▶ QO selection can now be changed by eTQP Manager, Supervisor, or Participant
- ▶ Site created qualification standards can now have numbered subparagraphs
- ▶ Dropdown menus for qualification cards and QOs now in alphabetical order
- ▶ Increased speed of data displays and exports

Next Steps – Phase II

- ▶ Schedule Phase II e-TQP Team Meeting – July/August 2016
 - Determine and prioritize system enhancements for Phase II
- ▶ Identified Future Enhancements to be Reviewed:
 - Expand e-TQP for QO documentation
 - Reporting Requirements
 - Better define expectation for Continuing Training Module
 - Competency Management – Standardization/Consistency
 - Link competencies to NTC training courses/reference guides
 - Exam Bank
