The reporting tool will be available on October 1, 2009. On August 25, 2009, the Federal Acquisition Council published in the Federal Register a notice (FR 42877) to give notice and to encourage contractors to register early at federalreporting.gov. This notice (Attachment 1) was effective August 25, 2009.

Attachment 2 is a summary of the reporting tool details for the Recovery Act reporting requirement and a copy of the federalreporting.gov registration quick reference card. Consistent with this guidance, Contracting Officers are encouraged to register now at the federalreporting.gov website. Additional information will be sent out as it is made available.
