

U.S. DEPARTMENT OF  
**ENERGY**

# 20

# 11

“This is our ‘Sputnik Moment’ to mobilize America’s innovation and ingenuity to advance clean energy and national security solutions.”

**Steven Chu**  
*Secretary of Energy*

# STRATEGIC PLAN

## MISSION

To ensure America’s security and prosperity by addressing its energy, environmental, and nuclear challenges through transformative science and technology solutions.

**GOAL 1:** Transform our Energy Systems.

**GOAL 2:** The Science and Engineering Enterprise.

**GOAL 3:** Secure our Nation.

**GOAL 4:** Management and Operational Excellence.
