

Energy Programs for Business

Small Business Energy Efficiency Program

- Small Business Energy Efficiency Program – provides grants for small business up to **\$7,000** per business. Ends September 30, 2010.
- Free energy assessment identifies the number and types of electric efficient measures that need to be installed.
- From June to September, the agency is mandated to assist 60 businesses.

Contact: [William Fesson](#), Program Manager, Small Business Energy Efficiency Program, (202) 673-6741, william.fesson@dc.gov.

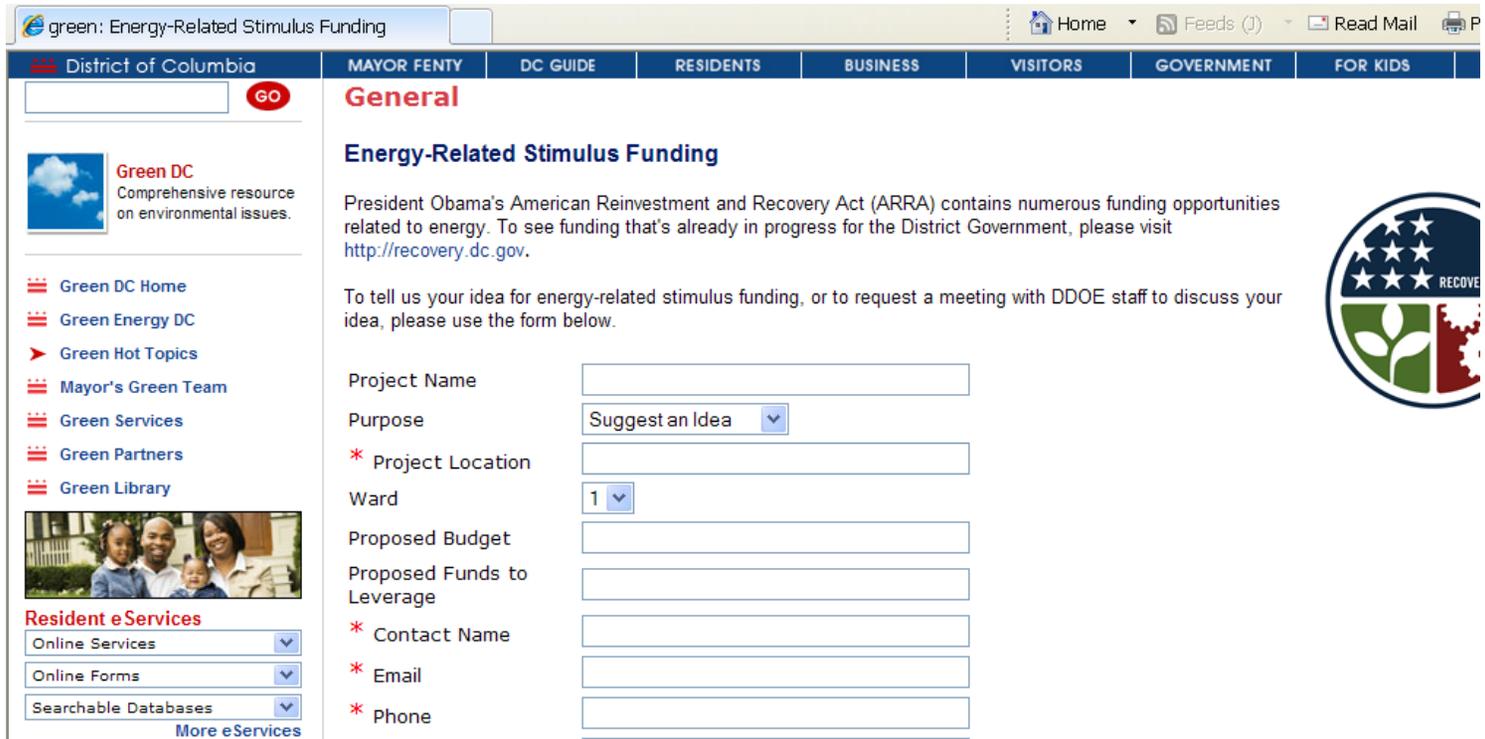

Renewable Energy Incentive Program

- Rebates for the installation of solar photovoltaics or wind turbine renewable energy systems. Additional technology rebates are forthcoming in the second quarter of 2009 as regulations are adopted.
- Currently there is a waiting list, but DDOE is accepting applications on-line.

Energy-Related Stimulus Funding

- Go to ddoe.dc.gov

The screenshot shows a web browser window with the URL "green: Energy-Related Stimulus Funding". The page header includes navigation tabs for "MAYOR FENTY", "DC GUIDE", "RESIDENTS", "BUSINESS", "VISITORS", "GOVERNMENT", and "FOR KIDS". A search bar is present with a "GO" button. The main content area is titled "General" and "Energy-Related Stimulus Funding". It contains a paragraph about President Obama's American Reinvestment and Recovery Act (ARRA) and a form for submitting ideas. The form fields include: Project Name, Purpose (with a dropdown menu set to "Suggest an Idea"), Project Location (marked with an asterisk), Ward (with a dropdown menu set to "1"), Proposed Budget, Proposed Funds to Leverage, Contact Name (marked with an asterisk), Email (marked with an asterisk), and Phone (marked with an asterisk). A "Green DC" logo is on the left, and a "RECOVER" logo is on the right. A "Resident e Services" section is at the bottom left of the form area.
