MEMORANDUM FOR GREGORY H. WOODS
GENERAL COUNSEL

FROM: JOANNA M. LIVENGOOD
MANAGER

A handwritten signature in black ink, appearing to read "Joanna M. Livengood", written over the printed name.

SUBJECT: ARGONNE SITE OFFICE (ASO) 2013 ANNUAL NATIONAL
ENVIRONMENTAL POLICY ACT (NEPA) PLANNING
SUMMARY

Section 5(a) (7) of DOE Order 451.1B Change 3, NEPA Compliance Program, requires each Secretarial Officer and Head of Field Organization to submit an Annual NEPA Planning Summary to the General Counsel. We have reviewed your associated December 7, 2012, memorandum and in consultation with Argonne National Laboratory staff have determined that we have no Environmental Impacts Statements (EISs) or Environmental Assessments either ongoing or forecasted for the next 12 to 24 months. In addition, we have determined that preparation of a site-wide EIS at Argonne National Laboratory would not facilitate future NEPA compliance actions.

If you have any questions or need additional information, please contact me at (630) 252-2366, or have a member of your staff contact either Kaushik Joshi, the Argonne Site Office NEPA Coordinator at (630) 252-4226, or our NEPA Compliance Officer Peter Siebach at (630) 252-2007.
