MEMORANDUM FOR GREGORY H. WOODS
GENERAL COUNSEL
GC-1

FROM:

A handwritten signature in blue ink, appearing to read "Johnny O. Moore", is written over the printed name.

JOHNNY O. MOORE, MANAGER
ORNL SITE OFFICE

SUBJECT:

ANNUAL NATIONAL ENVIRONMENTAL POLICY ACT (NEPA)
PLANNING SUMMARY FOR 2013 – OAK RIDGE NATIONAL
LABORATORY (ORNL) SITE OFFICE (OSO)

This correspondence transmits the Annual NEPA Planning Summary for 2013 for OSO. This is in accordance with the June 1994 Secretarial Policy Statement on NEPA and Department of Energy Order 451.1B.

OSO has reviewed ongoing and planned activities and has determined that no NEPA Environmental Assessments (EAs) and no Environmental Impact Statements (EISs) are expected to be prepared within the next 12 months for EAs and the next 24 months for EISs. There are no current plans for a site-wide EIS for ORNL; however, an EA for the ORNL Facilities Revitalization Project (DOE/EA-1362) was completed in 2001, and an EA for the ORNL Modernization Initiative (DOE/EA-1618) was completed in 2008.

If there are any questions or additional information is required, please contact Mark Belvin at (865) 576-7321.
