MEMORANDUM FOR GREGORY H. WOODS
GENERAL COUNSEL, GC-1, HQ/FORS

FROM: LARRY C. KELLY
MANAGER

A handwritten signature in blue ink, appearing to read "Larry C. Kelly", written over the printed name.

SUBJECT: ANNUAL NATIONAL ENVIRONMENTAL POLICY ACT PLANNING SUMMARY
FOR 2013 – OAK RIDGE OFFICE

This correspondence responds to the request for the Annual National Environmental Policy Act (NEPA) Planning Summary for 2013 for the Oak Ridge Office (ORO). This is in accordance with the June 1994 Secretarial Policy Statement on NEPA and Department of Energy Order 451.1B.

ORO has reviewed ongoing and planned activities for the Oak Ridge Reservation (ORR) and has determined that no NEPA Environmental Assessments (EAs) and no Environmental Impact Statements (EISs) are expected to be prepared within the next 12 months for EAs and the next 24 months for EISs. For the ORO, including the ORR, we have evaluated whether a site-wide EIS would facilitate future NEPA compliance efforts and have determined that, based on current funding projections, a site-wide EIS for our operations would not be practical.

If you have any questions or need additional information, please contact me at (865) 576-4444; Gary S. Hartman, ORO NEPA Compliance Officer, at (865) 576-0273; or James Elmore, Alternate ORO NEPA Compliance Officer, at (865) 576-0938.
