

POLICY FLASH 2013-25

DATE: January 31, 2013

TO: Procurement Directors

FROM: Director
Contract and Financial Assistance Policy Division
Office of Policy
Office of Acquisition and Project Management

SUBJECT: Acquisition Certifications Program Handbook 3rd Edition released

SUMMARY: The Acquisition Certifications Program Handbook 3rd Edition is revised to reorganize content, incorporate all Policy Flashes related to certifications, and update requirements information for certifications.

This Flash will be available online at the following website:
<http://energy.gov/management/office-management/operational-management/procurement-and-acquisition/policy-flashes>.

The Handbook is available online at the following website:
